Before localhost:80

After localhost:80

The image shows two screenshots from a web browser. The top screenshot is the WordPress 'Themes' dashboard on localhost. It displays a sidebar with navigation links like Dashboard, Posts, Media, Pages, Comments, Appearance, Themes, Editor, Plugins, Users, Tools, Settings, and Collapse menu. The main area shows a list of installed themes, including 'Twenty Twenty-One', 'Twenty Twenty-Two', and 'Twenty Twenty-Three'. The 'Active: Twenty Twenty-Three' theme is highlighted with a 'Customize' button.

The bottom screenshot shows the live blog post on localhost:80. The page has a light green background and contains the following text:
